• Please note that apart from Total, all the other fuel providers do not issue physical fuel cards- instead you will be issued with a virtual account number consisting of the vehicle number plate and Drivers Name. You can have upto 5 vehicles on your ePass account.

#### **Step 4: Placing Fuel Orders**

Your ePass Account is pre-paid. To place an order make sure you have **recharged** your ePass account and **funded fue**l your fuel account. Select the card number you want to refuel and add an amount worth the fuel you would like to collect at the filling station. Note that the card number is

essentially the vehicle registration number. For additional ordering options- you can contact our customer service line +260763222333.
